They're former property owners, so they get the privilege of being listed as RPs. I / we were aware that Mr. Andrade's address doesn't "work" but were not aware that the Wilhelm's address was also "not working" (we've not received a returned letter). They also appear to have left the county (a move or a death) as there are no parcels associated with their names within the county. I suspect (but don't know - obviously) that they don't care about receiving communications as they have not kept us informed as to their address changes.

Mark,

I have two parties that have been on the cc'd lists that no longer reside at the addresses we have for them. The parties are:

William Andrade – P.O. Box 2786, Dublin, CA 94558

AND

Mr. and Mrs. Steve Wilhelm, 12770 Skyline Boulevard, Oakland, CA 94619

Do you know who these parties are and if they still require copies of the reports? If so, do you have updated mailing addresses for either or both parties? I can't find any information on these parties as to why they are being copied.

Thank you!

Sincerely,

Kasey L. Jones
