

8/31 Conversation w/ M. Jonas

Said that in accordance w/ the Aug 18th letter & fax he'd like to backfill the excavation area and install a MW & evaluate SW before considering any excavation under the bldg. I verbally changed this.

Mark also ~~is~~ said that he'd like a written approval of their w.p. for 9201 ASAP. He expects to provide you w/ it ~ Sep 20. I told to expect ~ 1 week to review & approve if OK. Mark is on vacation until Sept 10
