Hi Tyler, I received your messages, however I am out of the office most of this week. I will be able to look at the data for your site the week of 8/27. I propose that we speak by phone on the date & time above, to discuss the results of the review of the additional data. Does this time work for you?

discuss site with all
their site is accross the street form RO323
answere questions about vapor barriers, development

contamination appears to be from site across street, based on report prepared by consultant. no indication tha tthier site had USTs nor adjacent apartments accorinding to phase 1. they would like comfort letter. I can prepare a general letter that indactes based uponhte info they provided source appears to be offsite.
