Subject: RO337 California Linen Offsite Access Status 5/29/09

Hi Steven,

I spoke on the phone 5/28/09 with Mrs. Smith who owns the house at 996 40th Street (at the corner of Linden and 40th Street) and she will provide us access to her property on Thursday 6/4/09.

I spoke on the phone 5/29/09 with Mrs. Keels who owns the house at 990 40th Street (the second house from the corner of Linden and 40th Street) and she confirmed that she had received your letter. She said that she would speak with her tenant Mrs. Newman and call me on Monday or Tuesday next week regarding site access.

I met with Mrs. Francois 5/29/09 who owns the house at 984 40th Street (the third house from the corner of Linden and 40th Street) and she confirmed that she had received your letter. She said that I should call her next Tuesday evening to confirm access to her site for next Friday 6/5/09 or the following Monday. Mrs. Francois said that she also wanted to speak with someone from the City of Oakland. I told her I would provide her the phone number for LeRoy Griffin. After returning from her house I called LeRoy Griffin, who said to provide her with his cell phone number. I called Mrs. Francois and left her a voicemail with LeRoy Griffin's cell phone number.

Please let me know if you have any questions or need any additional information. Thank you!

Best regards,
