Subject: RO337 Request for meeting to discuss case closure

Hi Steven,

As we discussed on the telephone a few days ago, I am requesting that we have a meeting to discuss steps necessary to close the case for the California Linen site. Based on our telephone conversation from a few days ago, it is my understanding that you will be unable to get to the file for at least a few weeks. If I have not heard from you in two weeks I will contact you to check on the status of your availability. Thank you!

Best Regards,
Paul King
