Dear Mr. and Mrs. Lin, Ms. Larson, and Mr. Hardgrave:

Thank you for the report entitled *Soil and Groundwater Investigation Report and Case Closure Request* for the subject site. Alameda County Environmental Health (ACEH) is currently performing a review of your Request for Closure in conjunction with the case file and the State Water Resources Control Board's Underground Storage Tank Case Closure Policy criteria. We anticipate completing the review by mid-May 2013.

A review of our case files indicates we do not have an email address on file for the Responsible Parties identified on this letters' header. Please provide your email address so that we can correspond with you quickly and efficiently regarding your case.

Thank you for your cooperation. Should you have any questions regarding this correspondence or your case, please call me at (510) 567-6764 or send an electronic mail message at [keith.nowell@acgov.org](mailto:keith.nowell@acgov.org).

Sincerely,

Keith Nowell, PG, CHG
