**Subject:** Fuel Leak Case RO338 - General Transportation, 3211 Wood St., Oakland

Dear Mr. Lin

This email serves as notification of the conclusion of the Public Notification period for General Transportation, 3211 Wood St. in Oakland, California, Alameda County Environmental Health (ACEH) case file RO0000338. ACEH has received no public comment responses regarding the closure of the leaking underground storage tank case for this facility. ACEH will proceed with preparation of the Case Closure Summary Report as the final step to closure.

Thank you,  
Keith Nowell
