**Subject:** (RO0341) Former Chevron Service Station 91153 - Data Gap Work Plan and Focused Site Conceptual Model and Interim Remedial Action Plan - Extension Request

Dear Mark and Dilan,

Seeking your approval with regards to an extension request for the Data Gap Work Plan and Focused Site Conceptual Model and Interim Remedial Action Plan which was requested by Alameda County Environmental Health (ACEH) in a letter dated March 24, 2014 and an email dated April 25, 2014 and is due on June 27, 2013 for the facility referenced above. CRA has worked on multiple deliverables that have been submitted and are currently being worked on over the last month and a half and they have informed me that additional time will be necessary in order to complete the a Data Gap Work Plan and Focused Site Conceptual Model and Interim Remedial Action Plan. Therefore, an extension of **July 11, 2014** for the submittal of both the Data Gap Work Plan and Focused Site Conceptual Model and Interim Remedial Action Plan is requested.

Please let me know if you have any questions.

Thanks,
