Dear Mark and Dilan,

Seeking your approval with regards to an extension request for the Site Conceptual Model and Closure Addendum which was requested by Alameda County Environmental Health (ACEH) in a letter dated March 24, 2014 and an email dated April 25, 2014 and is due on August 1, 2014 for the facility referenced above. CRA has worked on multiple deliverables that have been submitted and are currently being worked on over the last month and a half and they have informed me that additional time will be necessary in order to complete the a Site Conceptual Model and Closure Addendum. Therefore, an extension of **September 30, 2014** for the submittal of Site Conceptual Model and Closure Addendum is requested.

Thank you for your consideration and support.

Regards,

Alexis N. Fischer
