Subject: Report Extensions

Jerry,

As we discussed on the telephone today, Denis Brown is on vacation until the end of August and he would like to review reports for two sites which have due dates in the end of August before he gets back. I would like to request the following extensions of due dates to accommodate Denis' schedule:

- RO0487-105 5th St., Oakland – Soil Vapor Probe Installation and Soil Vapor Sampling Report: currently due 8/25/10, requesting extension to 9/15/10.
- RO0343-461 8th St., Oakland – ISCO Report: currently due 8/30/10, requesting extension to 9/22/10.

Thank you. Regards,
