Jerry,

I would like to request an extension of the deadline for BART and building sump sampling report requested in ACEH's 9/14/10 electronic correspondence from 1/15/10 to 4/15/11. On 11/19/10, CRA sampled 2 sumps at the OPD building at 7th and Broadway. We have received an encroachment permit from BART and are currently working with BART's John Fu to schedule spigot and sump sampling. We have not received completed access agreements from the two private property owners at 432 7th Street and 704 Broadway (requests sent 9/13/10 & 12/10/10), but will attempt to contact them in person. Thank you.
