Attachments: Kathleen Schultz.vcf

Mr. Khatri,

Thank you very much for your return call regarding the BP remediation work at the corner of 73rd Avenue and Bancroft Avenue. As we discussed, ScanlanKemperBard Companies (SKB) is an owner of Eastmont Town Center. Please include SKB on the distribution list for all environmental reports related to the former BP site.

Thank you again and Happy New Year!

Best regards,

Kathleen M. Schultz
