Hi Jerry,

We received authorization on 7/23/08 from the property owner of the adjacent apartment building to drill boreholes to collect soil gas samples. Access to the other property for SG10 and SG11 will be finalized on 7/24/08. The work is scheduled to occur Wednesday 7/30/08. We will also collect creek surface water and creek bank borehole groundwater samples on the same day.

I will be out of the office 7/24/08 until Tuesday noon 7/29/08. Please let me know if you have any questions. Thank you!

Best Regards,
