Dear Responsible Parties,

Alameda County Department of Environmental Health (ACDEH) has been made aware of a geotechnical investigation at the subject site. It is important to ACDEH that all Responsible Parties be made aware of the activities and their implication. Therefore, ACDEH requests a meeting to discuss these activities. We propose a meeting to be held at 3:00 PM on Thursday, July 13, 2017 at our offices.

I will send out an electronic invitation for the meeting.

Regards,
Keith Nowell
