Jeriann,

We are not the well permitting agency for Alameda County. Please discuss this with Vicky Hamlin or James Yoo.

Regards,

Barbara Jakub, P.G.

Subject: Remediation

Hi Barbara,

MW-4 is located within one of the areas of dig out. If the excavation is going to the same depth as the MW, and the entire well is going to be removed during excavation, can we just complete a well abandonment permit and indicate that the well will be physically removed by excavation?

Jeriann
