**Subject:** Unocal #7376 - 4191 Frist Street, Pleasanton, CA -- Revised Corrective Action Plan

Mr. Wickham,

I am writing to request a short extension of the deadline for public comment to the Revised Corrective Action Plan (CAP) (now set for November 23). We have corresponded with and had some brief discussions with John Garrett, environmental legal counsel for Conoco Phillips about some of Alameda County's concerns with respect to the proposed Remedial Action Plan (RAP); and we expect that these concerns can be addressed by Conoco Phillips in the RAP. However, we have not yet had an opportunity to discuss these issues with Conoco Phillip's consultant.

Both Conoco Phillips and Alameda County believe that it would be helpful and productive if these concerns could be informally discussed and resolved, rather than have them raised either now during the CAP comments period or possibly later at the RAP comment period.

Therefore, could you extend Alameda County's deadline for public comment to and including December 10th? It may be that Conoco Phillips will confirm that Alameda County's concerns will be addressed in the RAP, in which case, we may have no public comments.

Thank you for your consideration of this request.

Best regards, Chris
