Mr. Wickham:

I would like to request an extension for submittal of the Pilot Test Work Plan for RO362. We have scheduled an additional monitoring and sampling event to confirm the second quarter results. We need this data to confirm current site conditions and ensure that the Work Plan will address these conditions. We are scheduled to sample this Wednesday and request a one month extension to November 15, 2012 for submittal of the Work Plan. Is this acceptable?
