Peter,

Based upon your request, the schedule for submittal of a pilot test report for the above referenced site is extended to July 30, 2010.

Regards,

Jerry Wickham

Jerry,

As we discussed last week, CRA was unable to complete the proposed pilot test as scheduled. CRA requests an extension of the pilot test report deadline of May 14, 2010 to July 30, 2010 to allow us to consider (and potentially implement) additional steps to mitigate the shallow soil vapors, so that the air sparging and soil vapor extraction pilot test can be completed.

Regards,

Peter Schaefer, CEG, CHG
