James,

Here's the signed form. Are "you" also using the ACPWA well search? You should as the databases are just enough different to make it worthwhile.

Mark,

Can you please sign and return this form for RO368? Thanks.

James

James,

Attached is the well completion report release request for the referenced site. We need the regulators signature before we request to the state. Can you forward on with request for that signature?

Thanks,
