Mark,

Thank you for your e-mail communication. I apologize that a formal communication on the status of the site Project Manager was not received.

I am the current Project Manager for the Site 98139 (16304 Foothill Blvd., San Leandro, CA). Great News, please send correspondence to my attention.

Thank you,

### Alexis N. Fischer

Hi Alexis,

I wanted to verify who the Chevron contact for this site is. You have been following up on the status of the site, but we have not received notification that you have picked the site up from Brian Waite. Let me know if you would. ACEH is now free to issue the public notification of case closure consideration.

Thanks,
