Hi Pat,

The closure was finalized on the 23rd, but has not been uploaded due to the holidays, planned time off by several parties, and illness among admin staff. It should be up today or tomorrow. Please recall that an agency has 30 days to finalize once a well destruction report has been submitted, which would place the due date on 1/12/2015.

Thanks,

Happy Holidays

Mark/Dilan

I've been nominated to be the Water Board "NAG" on cases agencies have said they were going to close. I see a Well Destruction Report due date of 2/13/2014 however, the report was uploaded on 12/12/2014 and is still in the pending category.

After the holidays could you please review?

Thanks in advance.

Pat
