Subject: RO0372-15275 Washington Ave., San Leandro - revised due date for 1Q11 GWMR

Jerry,

ACEH's 1/3/11 letter requests a first quarter 2011 groundwater monitoring report on 2/12/11. CRA, on behalf of Shell, requests that the due dates for CRA's groundwater monitoring reports for this site be the 8th day of the first month after the end of the sampling quarter as is requested for the third quarter 2011 groundwater monitoring report. This change would revise the due date for the First Quarter 2011 Groundwater Monitoring Report specified in your letter from February 12, 2011 to April 8, 2011. Thank you.
