Subject: 2855 Mandela Parkway

Mr. Khatri,

As per my last email, our proposed scope of work for the remainder of 2008 has been approved by the client. We will begin next week (9/22/08) with monitoring well survey (wells used in quarterly monitoring) and third quarter groundwater monitoring. We will also begin drafting the soil vapor sampling work plan.

Thank for your continued patience and assistance,

Respectfully,

Greg Johnson, REA I
