Hi Paresh,

Happy New Year,

As you know, we have completed the 2008 Q3 Groundwater Monitoring Report and the Soil Vapor Sampling Report for 2855 Mandela Parkway. I am planning to get together with BALCO and discuss the 2010 proposed scope of work. I was planning on doing this tomorrow, but I have a cold now, and will have to reschedule to next week.

Once we have discussed the proposed scope of work for 2010 with BALCO, I will let you know what we are proposing.

Respectfully,

Greg Johnson, REA I
