Dear Ms. Sedlachek,

On October 4, 2010, I sent a directive letter requesting monitoring well destruction and landowner notification for this site in order for us to close the case. We received the landowner notification on October 6, 2010 but have not yet received the well destruction report which was due December 5, 2010. I also do not see an extension request in the file for the report. Please let me know the scheduled date for the well destruction.

Thank you,

Barbara Jakub, P.G.
