Hi James,

You're good. We discussed it as you mentioned, so I was kept notified, including of the reason for the delay. I've extended the due date to September 16th to allow you time to generate a brief report. Hope that will work.

Subject: RO391 Well Destruction

Hi Mark,

As you know, we completed this work last Friday; however, in putting the report together I got to thinking that in your 4/27/11 letter requesting the destruction there was a due date of 6/10/11 for submission of the report. Due to City permitting issues we obviously didn't meet this. I seem to remember some correspondence between us regarding this, and not sure if it matters or not at this point, but do you recall anything? Just want to make sure we're covered.

Sincerely,

James P. Kiernan, P.E.
