

4/30/93

STID 1109

500 Grand Ave. Oakland 94612

8:30 - 7:10 AM

Meeting w/ Bob Koble (Texaco) & PEG people  
Steven Krcik & Erin Garner - discuss site  
update:

Advised to install a couple of on-site wells  
- primarily no HMs on site, monitoring  
only off-site wells. if plume - moving toward  
Lake Merritt - need to install  
trench interceptor near Lake Merritt

30,000 gallon Hal pump out  
(cleaned during UGT3)  
1500 yd soil - removed  
disposed
