Subject: Site Status Update for ARCO Station 2185, 9800 East 14th street, Oakland, California.

Dear Mr. Chan:

This letter provides an update on investigation and remedial activities conducted for the above-referenced site. This update covers site activities performed during November 1992, and site activities anticipated for the month of December 1992.

November 1992 Activities

- Performed monthly groundwater monitoring.
- Began the permitting process to obtain encroachment and excavation permits for installation of offsite monitoring wells from the City of Oakland.
- Submitted Final Work Plan for installation of offsite and onsite monitoring wells, and aquifer test. Results of this phase work to be used in preparation of Remedial Action Plan due to Regulatory Agencies on June 1, 1993.

Site Status Update
ARCO Station 2185, Oakland, California

December 11, 1992
61026.02

Work Anticipated for December 1992

- Continue monthly groundwater monitoring.
- Continue permitting process to obtain encroachment and excavation permits from City of Oakland.
- Submit Final Third Quarter 1992 Quarterly Monitoring Report to ARCO and regulators.

If you have any questions or comments regarding this letter, please call us at (408) 264-7723.

Sincerely,
RESNA Industries Inc.

Joel Coffman
