Oakland, California 94624

Subject: Site Status Update for ARCO Station 6113, 785 East Stanley Blvd.,
Livermore, California.

Dear Ms. Hugo:

This letter provides an update on investigation and remedial activities conducted for the above-referenced site. This update covers site activities performed during April 1992, and site activities anticipated for the month of May 1992.

April 1992 Activities

- Performed groundwater monitoring.
- Called Ms. Susan Hugo of ACHCSA to discuss addendum to work plan on April 1, April 6, and April 14, 1992; however she was not available to talk with us about the proposed work at the site.

Work Anticipated for May 1992

- Submit necessary well permit applications to install proposed vapor extraction wells and monitoring wells, as work plan addendum was verbally approved on May 11, 1992.
- Monthly groundwater monitoring will continue.
- Schedule drilling and installation of wells at the site.

Site Status Update
