Hi Barbara-

Per your prior request, I wanted to inform you that we plan on performing the MIP investigation at the VW Oakland facility next week, on February 14th and 15th. We are tentatively scheduled to begin at 8am on the 14th. It is possible that we may need to reschedule this work, depending on the finalization of the permitting with the City of Oakland.

Please feel free to contact me at the cell phone number below should you have any questions.

Thank you,

Barbara - per our conversation last week, this email is the formal request to extend the schedules requested in the letter from the Alameda County Department of Environmental Health dated November 15, 2012. Volkswagen and ARCADIS are requesting a 60 day extension for each of the deadlines provided in the November 15th letter.

ARCADIS and Volkswagen are in the process of procuring the contract to implement the work. We expect to commence this phase of the project within the next 2 -3 weeks.

Thanks Ron.
