**Subject:** Former BP 11132 and 11133  
**Attachments:** 11133 Case Closure Report & perjury ltr.pdf

Paresh:

After reviewing the last couple of rounds of data from Former BP 11133 (which shows low levels of COCs onsite with decreasing trends) we decided to request closure of the site. Based on the recent concentrations we don't think the site is a candidate for additional remedial activities. Attached is the closure request.

Hollis
