David,

Your request for an extension is approved. ACEH believes the extra time spent to prepare a comprehensive SCM before the work plan is prepared will result in cost savings in the long run.

Regards,  
Barb Jakub

Hi Barbara:

RE: RO 0000413; Grit Auto, 1970 Seminary Ave, Oakland

This note is in reference to your letter dated December 5, 2008. This note follows my verbal voice message request to extend the work plan / SCM for the site to approximately March 20 2009 from the current February 20, 2009.

Thanks in advance for your consideration.
