Lydia,

I tried to locate the files located on the public side of the Alameda County Environmental Health's (ACEH's) website for the case file MOIA, United Airlines MF35/36, ACEH case number RO0000414 and *was* successful. Please try again. Make sure you are searching for LOP/SLIC sites in the dropdown box (the *Restaurants* category is the default). Give me a call if you are unsuccessful, and I'll walk you through it.

Respectfully,  
Keith Nowell
