Subject: RE: Oakland Maintenance Center, Well Destruction

Khamly,

Thank you for providing Alameda County Department of Environmental Health (ACDEH) with the notification of the intent of the Port of Oakland to demolish the United Airlines Oakland Maintenance Center. As you are aware, the site is the location of an open case under the oversight of ACDEH. The work plan referenced in your notification has not been approved by our agency and the proposed destruction of the groundwater monitoring wells comprising the well network has not been authorized.

ACDEH suggests that a meeting be scheduled to discuss this matter further. ACDEH proposes the following dates and times for the proposed discussion:

Friday, July 6 at 1:00 PM;

Friday, July 13 at 1:00 PM;

Wednesday, July 18 at 10:00 AM; or

Thursday July 19, at 10 AM.

Please let me know which dates/times work best for you and I will send out an e-vite.

Regards,
Keith Nowell

Subject: Oakland Maintenance Center, Well Destruction

Good afternoon Keith,

I've recently joined the Port of Oakland Environmental Programs and Planning staff and will be assisting with the former United Airlines Oakland Maintenance Center Site. Please find attached notification of planned well destruction activities. As stated in the attached, feel free to contact me with any questions. Thank you.

Sincerely,

Khamly Chuop
