Peter,

Based upon your request, the schedule for submittal of an off-site soil vapor investigation report is extended to June 6, 2015. I will contact the landowner with an additional request for access

Jerry,

As we discussed this morning, I would like to request an extension of the due date for a report on this investigation to June 6, 2015. We have do not an access agreement in place and would appreciate any help you can give us to persuade the property owner to cooperate. Thank you.
