Subject: Former Chevron Service Station 94930 - 3369 Castro Valley Boulevard, Castro Valley - Notification of Planned Well Destruction Activities 7/3/2014

Mark and Steve –

This email is notification that CRA is planning to locate and destroy the remaining vapor probes at the referenced site in Castro Valley on Thursday July 3rd, 2014. We've got a time restriction for this site and need to start early and be finished and offsite by 10am. Brian, please coordinate your grout inspection with Steve Miller (cc'd).

Thanks

Nathan Allen, P.G.
