Subject: Meeting Request, Fuel Leak Case No. RO0000490 and GeoTracker Global ID T0600101187, San Francisco French Bread, 3924 Market Street, Oakland, CA 94607

Dear Responsible Parties:

Alameda County Department of Environmental Health (ACDEH) staff has reviewed the case files for the subject site. Based on our review, it is not clear to ACDEH that all the sources of the fuel releases at the site have been identified. We wish to discuss the status of the case and the path to closure.

ACDEH requests a meeting to discuss the path forward and proposes the following dates and times:

Thursday, July 19, 2018 at 10:00 AM;

Friday, July 20, 2018 at 1:00 PM;

Friday, July 27, 2018 at 1:00 PM.

Please propose other dates/times if your schedule does not accommodate those proposed above. Please note that we will not be accepting meeting dates between July 29th and September 4th, 2018. ACDEH will review our calendar for the proposed meeting dates. Please respond at your earliest convenience to ACDEH via electronic mail, Attention: Keith Nowell, for scheduling. Please respond in order of preference if more than one date/time is selected or proposed.

ACDEH looks forward to working with you and your consultants to advance the case toward closure. Should you have any questions regarding this correspondence or your case, please call me at (510) 567-6764 or send an electronic mail message at keith.nowell@acgov.org.

Sincerely,
