Good Morning,

I'm emailing to give you an update on this project. Due to the air quality and the rain, the vapor and ambient air sampling event has been rescheduled for December 4<sup>th</sup>.

Additionally, I am moving on from GHD, so Ben Summersett will be taking over as the GHD Project Manager on this project. He will keep you updated on the sampling schedule (if rain forces the date to be postponed again). Please direct all future correspondences to him.
