**Subject:** RO 0000427 - Chevron 90076, 4265 Foothill Blvd, Oakland - Extension Request

Mark,

GHD Service, Inc. (GHD) on behalf of Chevron Environmental Management Company (EMC) would like to request an extension for the *Data Gap Work Plan* requested by Alameda County Environmental Health (ACEH) letter dated November 28, 2016. The reason for the extension is that as of today, no responses to the basement questionnaires mailed on December 20, 2016 have been received. Responses to this questionnaire are essential before preparing the work plan. Therefore, an extension of April 14, 2017 for the submittal of the *Work Plan* is requested to continue to obtain the essential information.

Thank you for your consideration.

Kiersten
