David and Kiersten,

I have had a moment to resend the offsite basement survey forms. You should see them tomorrow. Due to the delay, I have provided an extension until June 30, 2017 for the work plan. You can use this email to document the extension date.

**Subject:** RO 0000427 - Chevron 90076, 4265 Foothill Blvd, Oakland - Extension Request

Mark,

GHD, on behalf of Chevron Environmental Management Company (CEMC), would like to request an extension for the *Data Gap Work Plan* requested by Alameda County Environmental Health (ACEH) letter dated November 28, 2016. The reason for the extension is that as of today we have only received one response to the basement questionnaires mailed by GHD on December 20, 2016 and by ACEH on March 6, 2017. The response was from the adjacent property to the north. Responses to this questionnaire from the other adjacent properties are essential before preparing the work plan. To allow time for ACEH to mail a second request to adjacent properties, an extension of June 14, 2017 for the submittal of the *Work Plan* is requested to continue to attempt to obtain the essential information.

Thank you for your consideration.

Kiersten
