Hi Kiersten,
No, I've not heard back from the property owner.... Will need to followup apparently.

I've extended the due date on Geotracker to November 4, 2018 per your request. You can use this email to document the extension if needed.

Hi Mark,
Have you received a response to your letter to the adjacent property owners? We have not received a response to access requests to their property or to the property to the north with the apartment building (for crawl space sampling). As such we will need to request an extension of another 90 days (November 4, 2018) for the due date of the vapor assessment.

Thank you,
Kiersten
