Mr. Wickham,

We have received approval from the Livermore Arcade Shopping Center property owner to install the Tesoro Livermore site downgradient monitoring wells proposed in the First Quarter 2009 Status Report. The well installation is scheduled for the week of 23 November 2009. We will include the well installation report in the Fourth Quarter 2009 Status Report for the site. Please let me know if you have any questions or comments. Thank you.
