Scott,

Good afternoon. Based on your request, the schedule for report submittal for case RO434 is extended to March 19, 2012. Please be sure to upload to the ACEH ftp site.

Jerry,

Arctos has an ISCO pilot test report due to ACEH today. The report is currently being reviewed in its final stage but it does not look like it's going to be ready by the end of the day. Can I please request an extension until tomorrow, 3/16?

Thanks,  
Scott
