**Start:** Thu 11/12/2009 3:24 PM  
**End:** Thu 11/12/2009 3:24 PM  
**Duration:** 0 hours

Phone call with Charlotte Evans. They are developing a plan to move forward with the building expansion. Soil below expansion would be excavated down to 5 to 10 feet bgs and replaced with fill. Existing probe would be moved to native soil outside the building. She asked if this plan could be approved by email . I indicated that this would require a formal plan. Plan to be submitted within next few days.
