Subject: Site Status Update for ARCO Station 6041, 7249 Village Parkway, Dublin, California.

Dear Ms. Chu:

This letter provides an update on investigation and remedial activities conducted for the above-referenced site. This update covers site activities performed during January 1993, and site activities anticipated for the month of February 1993.

January 1993 Activities

- Performed groundwater monitoring.
- Completed preparation of report including results of well installations and vapor extraction test. This report was delivered in final form prior to the February 1, 1993 due date.

Work Anticipated for February 1993

- Continue monthly groundwater monitoring, including newly installed monitoring wells.
- Study data from the monthly groundwater monitoring, including data collected from newly installed monitoring wells, to determine optimum location for placement of a groundwater recovery well.

Site Status Update
