Subject: 206145 - RO454 - List of Landowners Form and Request to Discontinue Monitoring and Sampling Site Wells

Mark ,

Good afternoon. Please find attached a signed List of Landowners form as requested in your August 26, 2014 correspondence. Additionally, the directive letter indicated that that we are headed for closure at this site, but there was no specific language about the groundwater monitoring and sampling program – Can you please confirm that we may stop monitoring and sampling at this site?

Thank you very much -

Nathan Allen, P.G.
