Hi Kiersten,

I believe the principal reason I requested the two dates was to help ensure the results of the utility preferential pathway survey were available, considered, and incorporated in the draft CAP, with some time to make any needed changes. However, what you propose is reasonable, obviously provided the results are still incorporated into the draft CAP. You can use this email as acceptance of your proposed changes.

Regards!

Hi Mark,

To follow up on your message, in your August 17, 2011 letter, you request a Utility Preferential Pathway Survey by October 28, 2011 and then a Revised Draft CAP 21 days later. CRA proposes submitting the two in one report on November 18, 2011.

Thank you,
Kiersten
