Subject: ACEH Site RO0454 - Chevron Site 206145 - 800 Center Street, Oakland - SGMP Submission Deadline Extension Request - 12/5/14

Mark –

Good afternoon –

As a follow up to my phone message, I'm writing on behalf of Chevron to request an extension to the Soil and Groundwater Management Plan submittal deadline you directed in the attached letter. Chevron is the property owner for this site, and is currently involved in internal discussions with the real estate management team about the path forward for the two separate environmental cases associated with the site. We'd like to have some additional time to clear up the path forward prior to submitting the SGMP, and respectfully request an extension to the submittal deadline to December 5, 2014. Please respond if you concur –

Call if you have any questions -
