Dear Barney –

Satya Sinha of Chevron has just confirmed with our office the November 9<sup>th</sup> / 10:00 am meeting that will be held at your Alameda office.

In advance of next week's meeting, I would like to share with you this October 13<sup>th</sup> Letter from our Environmental Consultants, Brown & Caldwell, sharing their professional insights and opinions on the remediation needs and site closure for the subject property. (Chevron already has a copy in their files.) Most likely, Cabe Silverhame (who wrote this letter) will also be attending.

See you next week ....
