**Subject:** RO455 - UNOCAL 1871- 96 / 66 MacArthur  
**Entry Type:** Phone call  
**Company:** CRA

**Start:** Mon 12/10/2012 2:30 PM  
**End:** Mon 12/10/2012 2:35 PM  
**Duration:** 5 minutes

RO455- Mr. Nathan Lee called to request discontinuing ozone injection at the site. Mr. Lee indicated there appeared to be a diminished return for continuing operation and proposed system shut down and post shut down monitoring. I asked for continued operation and that I would review the data and get back to him.
